Pike Soccer Club: Soccer Tots – Spring 2005

Program Mission

The intent of the soccer tots program is to provide a forum for preschool children and their parents to develop both physically and socially in teamwork activities designed around the fundamental concepts of soccer. A key element of the program is accessibility to all who wish to participate. Primary equipment will be provided to all participants, while costs to participants will be kept to a minimum.

Why Support Soccer

Soccer has grown into one of the largest youth sports. It not only involves players of all ages, but their families as well. Every weekend in the spring and fall, over 1200 families participate in or watch soccer games at Northwestway Park.

Why Pike Soccer Club

PSC since 1979. It is supported and managed by parents through a partnership with Indy Parks. PSC's goal is help the kids have fun, to learn fair play, and learn some soccer skills. We don't want to turn away any kid. Scholarships are made available based on need. PSC registers about 2000 players annually. We serve kids 3 to 18 years old, mostly Pike Township and the surrounding areas. We are still growing.

Sponsorship

\$1000 Full Sponsorship Includes sponsorship banner on the fields, logo on uniforms, full page ad in tournament books, logo on literature, website with links, name on sponsor board.

\$500 Supporting Sponsorship Includes sponsorship banner on the fields, half page ad in tournament books, and logo on literature.

100 percent of your tax-deductible support directly impacts young children and families through structured activities that promote physical wellness; individual confidence and self-esteem; and the benefits of working together as a team.

Please call (317) 858-1512 or e-mail don-davis@comcast.net if you have any questions or need additional information.
